Hired as a Jr. Graphic designer directly after receiving a bachelors degree in graphic design; hard work, timeliness, and devotion yielded promotion to an Art Director's position after 3 months employment

- Primary Art Director for highest RMI customer - TransAct Technology Incorporated (www.TRANSACT-TECH.com)
- Director of internship affairs including: Sourcing / hiring, over watch / quality control, management
- Concept thru production on following, but not limited too, websites:
NorwalkPark.org | RowaytonArtsCenter.org | WorkPlace.org
Meadville.edu | VisitSoNo.com | Infotrieve.com
- High managerial skill set to organize time, problem solve, prioritize, and hold onto long term relationships with clientele
- Logo developement, branding, nomenclature systems, marketing collateral, and design thru to production for:
Norwalk Hospital, GE Capital Real Estate, Infotrieve, TransAct Technologies Incorporated, Bank of New York Mellon,

Signs by Sign Language, Danbury, CT

February 2010 - May 2011 • *Senior Designer / Production Manager*

Working 30 hours a week during my senior year at Sacred Heart as a senior graphic designer at Sign Language gave the technical and mechanical skills needed to understand the production process.

- Managed window entry sign production for upper level suites at the new Meadowlands Stadium - home of the NY Giants and NY Jets
- Design and production package for Danbury Hospital including: logo redesign, F.A.S.T. Unit (mobile emergency vehicle) design construction, main campus signage and directories, large quantity logo thermal printing
- In-house thermal printing expert and technician

KatArt Graphics, New Milford, CT

May 2007 - May 2008 • *Internship*

A seasonal internship at KatArt Graphics was the intro to the real world of graphic design. Mastering the packaging process, maintaining print quality and control, as well as the drive through at dunking donuts.

- Logo and branding package for Wishing Well Mews condominiums
- Organized pre-flight for large scale and high quality printing
- Large scale banner installation for Naugatuck Savings Bank
